

Water Bed

BJ-EMCA

A warm and nice sensation! Explore and feel your body flattened on this water bed

This bed is comprised of a **water mattress** that adapts to the shape of your body and maintains a comfortable temperature thanks to its **heating system**.

It allows us to explore sensations in our body and promote a feeling of wellbeing.

The bed is raised off the floor and has strong feet to allow it to be **used with floor hoists**.

It can be integrated into our **modular furniture system** which comprises 15 pieces and allows you to create combinations based on your needs.

You can choose among a **wide range of bright colors**, depending on the finish needed for your room.

Add the Vibroacoustic Kit to turn it into a bed that vibrates when music plays.
