

Vibroacoustic Comfort seat

BJ-EMAS-V

A comfort that embraces your body and allows to feel the vibration.

Designed to feel the vibration of the music or the video sounds running through your body.

The comfort chair is designed with the perfect combination of foam and bean bag filling, allowing the user to sit on a stable base and feel gently enveloped by the comfortable backrest.

This comfortable seat provides a feeling of well-being and encourages a desire to communicate and learn.

Dimensions: 80 x 80 x 87 cm.

Seat height: 40 cm.
