

SHX FIBRE OPTIC CURTAIN

BJ-E30131X

The fiber optic curtain that works coordinately with the SHX room

The fibre optic cascade amazes us with its **lighting effect, whether we are sitting or standing**. It stimulates **proprioception** and **body awareness**. Contact with the optical fibres helps us to perceive different parts of **our body**. Ideal for learning **cause and effect**, recognizing **colors** and activities that encourage **communication**.

Supplied with 2 metres long, **light source and ceiling mount**.

It is the fibre optic cascade that is used for rooms with the [SHX System](#), and offers unlimited control options using any of the SHX elements: choose any color or even change the color of the tube using your voice or depending on the color of the image being projected.

- Includes 2 metres fibre optic bundles
- High-quality fibre optics with guaranteed durability
- High brightness
- Wall mount
- Light source integrated into the ceiling mount
- Compatible with the SHX system
- DMX Technology
